

## **Michelle Withrow, MSW**

### Geriatric Care Manager

Michelle has worked as a Master Social Worker for over 20 years in various medical settings including hospital, acute rehab, home care, dialysis, mental health and substance abuse crisis facilities.

She earned her Bachelor of Science degree in Psychology from Georgia State University, followed by her Masters' in Social Work from the University of Georgia School of Social Work. Michelle has been worked in independent, assisted living and memory care facilities in the Atlanta area. She has had numerous hours of Teepa Snow training in Dementia care and the many challenges families face. Michelle loves to explore senior care and dementia related solutions as she educates and assists families to develop individualize plans for the very best care. This expertise is focused on the social, spiritual, physical and emotional needs, of her clients and families. In addition, Michelle is also as an expert who helps seniors with placement options in the Atlanta area. Michelle is a passionate patient advocate who enjoys engaging with people, sharing joy, and 'holding hands' as she helps her clients explore the best possible options that deliver the greatest quality of life.

Michelle has been fortunate to have numerous opportunities to serve others throughout her adult life. She has served as a missionary/volunteer Social Worker for over two years in North East Brazil for children of the street through the support of her local church. She has also had the joy of serving with her husband and twin daughters with the building of an additional orphanage location. She and her family continue to return to North East Brazil regularly on short term mission trips to participate in church building, community outreach and vacation bible school activities.

Michelle is a married to the love of her life, Wade, and is the mother of four beautiful children, and loving grandmother to seven precious grands.

Michelle enjoys spending time with her church family, and loves to hike, fish, hunt, kayak and garden in her spare time.
