## 2025

# Welcome to the Premier Care Management of Georgia Resource Directory

---

At Premier Care Management of Georgia, we provide **Excellence & Compassion in Care** for seniors and their families facing complex health and aging-related challenges. Our team offers experienced, personalized guidance and advocacy across a wide range of services—from dementia care consultations and medication management to navigating senior housing and healthcare systems. We are dedicated to improving health outcomes, enhancing quality of life, and walking alongside each family with empathy and expertise.

This resource directory was created to support the seniors and families we serve by connecting them with trusted, high-quality services and professionals throughout our service areas. From home safety resources to elder law attorneys, every listing has been carefully vetted with our standard of care in mind.

To ensure this directory remains a truly valuable tool, we update it twice each year—keeping only the best of the best. We're proud to offer this guide as part of our commitment to results-oriented, relationship-based care management that empowers families and honors aging.

## Section #1

# Healthcare Providers

Access to quality healthcare is the foundation of effective senior care. This section includes trusted primary care physicians, specialists, hospitals, clinics, and telehealth services in our service areas. Each provider listed has been selected with care to help meet the diverse medical needs of our clients and ensure continuity of care across all stages of aging.
